TAG/DATE September 27, 2004

International Patent Application No. PCT/EP2004/009491
Borealis Technology Oy

In reply to the official communication of September 13, 2004 it is herewith indicated that the correct title of the invention reads

“Flame retardant polymer composition comprising fine particles”,
as heading the description. It is kindly requested to adopt this title.

Respectfully submitted,

Dr. U. Kador
